7. **Entire Contract and Severability.** This Contract, including any addendums or amendments signed by both parties and attached hereto, constitutes the entire agreement between the parties. The remaining provisions shall not be impaired and the Contract shall be interpreted to the extent possible to give effect to the parties' intent.
8. **Force Majeure.** Should a Market Day or portion of the Market Season be prevented, rendered impossible or infeasible by any act, regulation, or executive order, of any public authority or bureau, civil tumult, strike, epidemic or outbreaks, interruption in delay of transportation services, war, act of God, emergencies or any other similar or dissimilar cause, it is understood and agreed that there shall be no claim for damages by either

party to the Contract, and that the parties' obligations under this agreement are deemed waived. If there is a cancellation pursuant to this paragraph, Department will notify the Vendor as soon as possible.

Dram Shop insurance is required if alcoholic beverages are dispensed and alcoholic beverages or tickets are SOLD. If Vendor needs Dram Shop insurance, Vendor must also have applicable County and State licenses.
10. **Market Participation Terms and Conditions.** Vendor acknowledges that the following terms are material components of this Contract and Vendor's ability to participate in the Market. Noncompliance with these terms will be considered a breach of Contract by Department.
- a. Vendor certifies that all products sold at the Market shall be produced, processed and/or packaged by Vendor in the State of Illinois, at a location identified by Vendor.

 - k. Market Space shall be completely smoke-free; no smoking is allowed whatsoever.
 - l. At the end of each Market Day, Vendor is required to clean the Market Space it occupied. If Vendor does not clean the space, Department reserves the right to charge Vendor the current CMS Prevailing Wages per market for cleanup. In the event Vendor is charged for cleanup, Vendor will not be allowed reentry onto the market space until that fee is paid.
 - m. Any personal property left on the Illinois State Fairgrounds for ten days after Vendor is notified to remove such property shall be considered abandoned. The abandoned property will become Department's property and Department shall have sole discretion over the property's disposition.
 - n. Vendor shall submit a weekly sales report to Department at the end of each Market Day. Sales are confidential and only combined totals from all vendors are used for reporting purposes. These combined sales determine the future of the Illinois Products Farmers' Market.
11. **Release and Indemnity.** Vendor, for it and its employees, agents, and representatives, and their heirs, successors, assigns, executors and administrators, agrees to fully and forever release and discharge Department its officers, employees and agents, and their heirs, successors, assigns, executors and administrators, from any and all claims, demands, rights of action or causes of action, present or future, whether the same be known, unknown or anticipated, resulting from or arising in connection with the operation of the concessions which are the subject of this agreement. By executing this contract Vendor certifies compliance with this subsection to the extent applicable under the law, and is under a continuing obligation to remain in compliance and report any non-compliance to the extent applicable under the law. If the Parties determine that any certification in this section is not applicable to this contract it may be stricken without affecting the remaining subsections. As this agreement does not meet the definition of "contract" in the Procurement Code, those certifications have been removed accordingly
- a. As part of each certification, Vendor acknowledges and agrees that should Vendor provide false information, or fail to be or remain in compliance with the Standard Certification requirements, one or more of the following sanctions will apply: the contract may be void by operation of law, the State may void the contract, and Vendor may be subject to one or more of the following: suspension, debarment, denial of payment, civil fine, or criminal penalty. Identifying a sanction or failing to identify a sanction in relation to any of the specific certifications does not waive imposition of other sanctions or preclude application of sanctions not specifically identified.
